RE: Bingo Operator License 456217 Reconsideration for Exemption

Since we only average about 66 players per bingo game and have never had close to 100 players, we would like to take advantage of limiting the number of players to 100 in Bingo Operator License 456217.

Please amend the license to state that the maximum number of players at any time will be less than 100. (REF: 7.20.060 H)

This will allow Friends to take advantage of Los Angeles County Code of Ordinances 7.20.210 and be exempt from paying license fee (REF: 7.20.220) and bonds/other security (REF: 7.20.230-7.20.270) for bingo managers.

Also, thank you for meeting with Marla Baker and Donna Anderson yesterday and allowing us the opportunity to clean up the license information with only current board members on it. Given the nature as a senior center support group, it is not surprising that many of the people mentioned are no longer available.

We look forward to the February 11th hearing.

Respectfully,

Irma Ochoa, Friends President

Marla Baker, Friends Vice President
